

Cycling Ulster Off-road Commission

Guide to the issue of one-day licences

2013

For riders aged 16 or over

If the rider does not have a current Cycling Ireland licence of any kind	The fee is £17 (€20) for a day licence
--	--

If the rider has a leisure or club competition licence i.e. one with the letters IM, CM or NC	He/she needs to “upgrade” their insurance which is a fee of £9 / €10
---	--

For riders aged 15 or 16

The fee to cover racing for one day is £5
(Annual licence is £30)

For riders aged 14 or under

The fee is £5 for a one-day licence and £5 for an annual licence. As it makes more sense to take out an annual licence the parent must complete an annual Cycling Ireland licence application form and pay the £5 (€5)

No one-day licence required

If the rider has a licence with the following letters then he/she does <u>not</u> need a one day licence
