Prizes List

This is round four and the final of the league. The overall winner of the league is the rider with the shortest combined time of ALL 4 rounds. There is a leader's jersey that **MUST** be worn at round 2, 3, 4. Failure to do so will lead to disqualification. Moving between race categories will exclude you from the overall series prize. Lapped riders that do not get a finish time will take the time of the last timed rider plus average lap time. This will enable riders to complete the series.
